Dear Sir/Madam

REQUEST TO MARCH

We, the Congress of South African Trade Unions, a progressive Trade Union Federation are very much displeased by the conduct of the Leadership of UMzimkhulu Municipality. After reading some disturbing news in the newspaper (Isolezwe dated 25th of September 2016 and lately Ilanga dated 24th of October 2016) about allegations of corruption, we wrote to them seeking clarity on the matter. However, the Leadership has decided to be arrogant and disregard our request for clarity. It is indeed our resolution as this Trade Union Movement to fight corruption unapologetically.

We therefore, have an obligation as the Worker Leaders to protect the interests of all those paying Tax and our communities who are beneficiaries to the development. It is also a known fact that we as workers have an enormous power to make those who don't want to listen to us, listen. And that is shutting down production and taking to the street. It is therefore, from this background that we request to be given permission to March so that our concerns can be attended to.

We propose to hold the March as follows:

Date: 11 November 2016

Time: From 9:00 to 14H00

**COSATU****CONGRESS OF SOUTH AFRICAN TRADE UNIONS****Umzimkhulu Local**

0722720128/0837580035

mavumag@gmail.com

Route: From Gateway via Taxi Rank and Van Rank then to R56 by Spar to Council Chamber.

We are indeed defending the gains made since our democratic breakthrough and remain dedicated to defending the National Democratic Revolution. We, therefore, look forward to your progressive response to our request.

Kind Regards
