MAGARENG

Revolutionary Greetings

This communiqué draws your attention to the above mentioned subject.

It has come under our attention that the Municipality is budgeting for **CAR ALLOWANCE** for Managers whereby last we request for **Benchmarking** with **Dikgatlong Municipality**. The answer was there is no money. We are intending to disrupt the up and coming Council Meeting for approval of the **Budget 2016/2017** and continue up until the **MEC COGSTA** intervene to resolve this matter. The wage gap in the municipality will just increase and the Management and Council are not even considering to address the wage gaps that exists.

**SAMWU, IMATU and Management** which formed a **TASK TEAK** reviewing all Policies, met two weeks back to discuss the matters and the Policy is silent to Managers only. It speaks to the fact that all employees are entitled to this Policy.

Our humble plea bargaining is we want **R2000-00** across the Board of the proposed **R4000-00**.

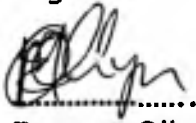

Hope the above is in order.
