(MWT):
VYANDIGGESINDHEID**

1. Source reports as follows :
 - 1.1 It has been reported that the AFRICAN NATIONAL CONGRESS (ANC)(X1) in the persons of Dr N ZUMA (S/V)(X2) and Sbu NDEBELE (S/M)(X3) have pressurised two leading members of the MARXIST WORKERS TENDENCY (MWT)(X4)/ANC/Marshall's committee in INANDA NEWTOWN B township to make up their minds about becoming "real ANC" and thus stop their TROTSKYITE relations with the MWT.
 - 1.2 Mandla SITHOLE (S/M)(X5) and another MWT-member were summoned to office in UMGENI Road, DURBAN on Friday, 19920918. There ZUMA was vehement against them and told them in no uncertain terms that they should make up their minds to either leave the MWT in which case they would be seen and considered as "full-fledged" ANC members or "face the consequences".
 - 1.3 NDEBELE was more clear. He told the two students that the movement knows where they stay and what they do with their lives and he (NDEBELE) also knows that they went to see David HEMSON (W/M)(X6) often.

They/...

They should stop these nonsense and become committed members of the ANC because the movement was going to hit the enemy and the MWT was just divisive.

1.4 NDEBELE promised the two that if their MWT links were ceased they would have a bright future in the ANC because they were bright and militant but channeled their militancy in the wrong directions as the MWT was anti-ANC and pro-CIA. They (Sbu and ZUMA) told these young people that their talents were needed, especially after the decision to march to ULUNDI was taken. SBU told them he needed their flair and organisational skills.

1.5 The two students responded by saying that they were proud ANC members and planned to keep on being that and they left it at that.

2. COMMENTS BY SOURCE :

2.1 It seems that the official ANC is prepared to tackle young MWT-people severely even to the stage of physical extermination.

2.2 There is a loath and wrath against young radical elements within the ANC structures for many months as the ANC (NATAL region) is run by a gerontocracy who are "yes men" to ZUMA and NDEBELE.

1. Sources one and two provided a report which indicated a meeting planned between the AFRICAN NATIONAL CONGRESS (ANC) (X1) Southern Natal region and members of the MARXIST WORKERS TENDENCY (MWT) (X2).
2. David HEMSON (W/M) (X3) was requested to represent the MWT at the meeting which was planned for 19920908 at the ANC office (681 Umgeni Road, DURBAN) at 14:00.
3. The letter also referred to 'problems' which have been 'identified' and the meeting is sought to provide a solution.

**MARXIST WORKERS TENDENCY (MWT) :
KAMPANJE MBT VRYLATING VAN DIE INANDA-NEGE**

1. Source reports as follows :
 - 1.1 The MARXIST WORKERS TENDENCY (MWT)(X1) has undertaken a serious campaign for the release of the INANDA-9 i e 9 INANDA young comrades who are imprisoned at WESTVILLE prison.
 - 1.2 The MWT is busy collecting money for the bail of these people but money, however, does not come very easily because the official AFRICAN NATIONAL CONGRESS (ANC)(X2) is against the move. The official ANC hates the MWT and the ANC comrades, who are involved with comrade David HEMSON (W/M)(X3) are seen as renegates.
 - 1.3 HEMSON has tried to contact the LAWYERS FOR HUMAN RIGHTS (LHR) as well as people at the UNIVERSITY OF NATAL, DURBAN (UND) on behalf of the INANDA-9. These people refused to talk to HEMSON as they are with the ANC but in the end they gave him the advice that he should not try to get these people out of prison on bail but rather to push the government and the Policy authorities to either charge or release them.

2. COMMENTS BY SOURCE :

- 2.1 So far only three (3) of the INANDA-9 have been released on bail and are in constant contact with HEMSON. They stay at his house often and visit him at his place of work.
- 2.2 A coloured young person (name and other particulars unknown) is also close to HEMSON and visits him on a daily basis.
- 2.3 HEMSON also has occasional discussions and debates with his colleagues at the SOCIOLOGY Department. He is not particularly friendly with anybody.
- 2.4 The African comrades who visit HEMSON seem very decent and mild. They are not aggressive (like the typical ANC/SACP youngsters) and are clean and well-dressed. They seem, however, to be very determined and very committed to what they do.

**SA KOMMUNISTEPARTY (SAKP) :
BEWEERDE INFILTRASIE DEUR TROTSKYISTE
IN UNIVERSITEIT VAN DURBAN-WESTVILLE (UDW)**

1. Source reports as follows regarding infiltration of the SA COMMUNIST PARTY (SACP)(X1) by TROTSKYISTES at the UNIVERSITY OF DURBAN-WESTVILLE (UDW) :
 - 1.1 The TROTSKYITE infiltration into the SACP at the UDW is not in executive positions but quite influential. Max OZINSKY (W/M)(X2) for example, has been a top ANC cadre for many years and is now close to Jermy CRONIN (W/M)(X3) and Raymond SUTTNER (W/M)(X4).
 - 1.2 OZINSKY was considered as to the TROTSKYITE left of the NATIONAL UNION OF SA STUDENTS (NUSAS)(X5) together with people like Tony KARON (W/M)(X6) who is also a member of the SACP in CAPE TOWN.
 - 1.3 The TROTSKYITE entry into the SACP structures cannot take a leadership form precisely because the TROTSKYITE leaders are very well known inside the country and will be isolated the same way the cadres of the MARXIST WORKERS TENDENCY (MWT)(X7) are within the AFRICAN NATIONAL CONGRESS (ANC)(X3) structures. TROTSKYISTES in WORKERS INTERNATIONALIST LEAGUE OF SA (WILSA)(X9) for example in CAPE TOWN and JOHANNESBURG, have done good work in sending workers into the SACP structures in order to revolutionise the party.

1992/3/9

- 1.4 In DURBAN David HEMSON (W/M)(X10) of the IWT with very deep roots in the Black working class due to his involvement in the struggles of the 1970's, has suggested to the followers that they must infiltrate the SACP, which is in the process of happening. HEMSON himself is unlikely to join because of his high leadership profile. HEMSON's coming to DURBAN has revitalised the WMT in the region, although they keep a low profile these days. HEMSON is a very good theoretician of TROTSKY and LENIN, but also a serious activist (unlike the SACP/ANC types). He lives with his brother Crispin, an ex-city councillor. He has re-established good contacts with Black workers who are sympathetic with the tendency (some of them are actually living with him). He meets a lot of workers from various trade unions. He has a very solid reputation amongst revolutionary workers.
- 1.5 TROTSKYITE youths have also infiltrated the SA STUDENTS CONGRES (SASCO)(X11) and the ANC YOUTH LEAGUE (ANCYL)(X12) at the MANGOSUTHU TECHNIKON, UNIVERSITY OF NATAL, DURBAN (UND) and the UDW. Last year (1991), SASCO people were frenetic about this and it became a common secret among activists.
- 1.6 WILSA has also started to influence students all over CAPE TOWN because the rumour has it that top academic

1992/3/9

Prof Colin BUNDY (W/M)(X13) of the HISTORY DEPARTMENT at the UNIVERSITY OF CAPE TOWN and the UNIVERSITY OF WESTERN CAPE (UWC) has been the guiding ideological force behind it. BUNDY has been critical of the ANC for a long time but on a covert way. He had direct and regular contact with Baruch HIRSON (W/M)(X14) and W BEINHART (W/M)(X15) (both BRITISH academics and well-known TROTSKYITES). BUNDY has been careful not to make his national and international connections known to many people. He is very careful.

2. COMMENTS BY SOURCE :

2.1 TROTSKYITES never rise to prominent positions in the SACP because their real wish is to work within the mass base of the party. If (or when) their tendency wins friends then they usually move in to leadership or middle-, management positions within the party. Otherwise it does not pay them to do that.

BEHOEFTESTELLING : SOUTH AFRICAN SOCIALIST FORUM

1. Source gives the following brief background on TROTSKYISM and concerned parties/organisations abroad and in SA :
- 1.1 TROTSKY was the leader of the BOLSHEVIK Revolution and was forced by STALIN to leave the UNION OF SOCIALIST SOVIET REPUBLICS (USSR). All his life, until his death in 1940 (killed by STALIN's agents) he was devoted to the Revolution.
- 1.2 Up to 1933 he and his followers defended the RUSSIAN Revolution and were against Fascism at a period at which the USSR had a pact of non-aggression with HITLER. TROTSKY and his group of left oppositionists were instrumental in building united red fronts in EUROPE against HITLER.
- 1.3 From 1933 to 1938 TROTSKY and his groups (then visible and active in plus minus 35 countries) prepared the first congress of the fourth International. However, in plus minus 1934-1935 TROTSKY allowed many of his followers to infiltrate (enter) mass socialist or communist parties in order to direct them in the right (revolutionary) path of development. This phenomenon is known as "entryism" and is very well-known all over the world.

(ELUCIDATION : The MARXIST WORKERS TENDENCY (MWT)(X1) of the AFRICAN NATIONAL CONGRESS (ANC)(X2) is an entryist group operating within the ANC and through its actions, theoretical papers, documents etc wants to push the ANC into the revolutionary path.
- 1.4 In 1938 the 4TH INTERNATIONAL started and accepted TROTSKY's transitional programme for the revolutionary change of society.

- 1.5 In 1939 the International Secretariat of the 4TH INTERNATIONAL to AMERICA.
- 1.6 In 1953 several sections of the INTERNATIONAL moved away. (especially the French and the BRITISH sections). These were results of top secret work of security and intelligence sources of the respective countries. These sections, together with others, developed the International Committee of the 4TH INTERNATIONAL which was against the International Secretariat.
- 1.7 Since the 4TH and 5TH CONGRESS of the INTERNATIONAL more splits took place based on basic ideological levels of TROTSKYISM such as STALINISM, neo-STALINISM, the role of the USSR, etc.
- 1.8 In the 6TH Congress there were still more splits with LATIN AMERICAN 'Posadas' moving completely away from TROTSKYISM.
- 1.9 By 1961 the two groupings (secretariat and committee) decided to reunite. This eventually happened in 1963, but in the meantime more ideological splits took place when the SOCIALIST LABOUR LEAGUE (SLL)(X3) in BRITAIN and the Healy group (later to become the SOCIALIST WORKERS PARTY (SWP)(X4) broke away once again.
- 1.10 Since then there have been more splits in the process.

3. There are presently various TROTSKYITE movements in SA such as WORKERS ORGANISATION FOR SOCIALIST ACTION (WOSA)(X5).
An INTERNATIONAL SOCIALIST LEAGUE OF SA (ISLS)(X6) a group of 20-25 WOSA activists under Riad DESAI (I/M)(X7) who was instrumental in initiating WOSA in JOHANNESBURG/LENASIA area. (These activists wanted to operate within WOSA as a faction of the TROTSKYITE (SWP) in ENGLAND. They wanted to operate as a tendency within WOSA. This motion was heavily defeated at the WOSA Conference and the group walked out saving WOSA the problem of expelling them.
- 3.3 WORKERS INTERNATIONAL LEAGUE OF SOUTH AFRICA (WILSA)(X8) with active activists in CAPE TOWN and in DURBAN.
- 3.3.1 IN CAPE TOWN the most important activists are :
 - 3.3.1.1 Leonard GENTLE (Lenny)(K/M)(X9) UNIVERSITY OF CAPE TOWN (UCT) graduate, community activist, brilliant theoretician. He has one weakness : women. He is a notorious womaniser.
 - 3.3.1.2 Themba MAYFIELD (K/V)(X10), leader of the youth wing of the 1983 National Forum (then she was the CAPE ACTION LEAGUES (CAL)(X11) youth leader and publicity secretary). For two to three years she broke away from politics but now she has come back under the influence of her husband- an unknown White male. She is a very brilliant woman - theoretically in MARXIST terms. She had a serious love affair with GENTLE and later with Neville ALEXANDER (K/M)(X12). SHE ALSO HAD A LOVE RELATIONSHIP WITH A FOREIGN (Libanese or Greek) academic at UCT (name unknown).

3.3.1.3 Dr Jonathan GROSSMAN (W/M)(X13) (Jewish academic at UCT). He studied under Martin LEGASSICK (W/M)(X14), a JEW and the father of the expelled from the ANC in 1985, while he was the editor of the SA CONGRESS OF TRADE UNIONS (SACTU)(X15) newspaper, Workers Voice. A brilliant academic and doyen of MARXIST analysis in SA and is at present the editor of INQUABA the theoretical/practical journal of the MWT.

(ELUCIDATION :

WILSA produces irregular news letters with SA MARXIST analysis. So far they are self-financed and they are busy in organising community support. They have plus minus 30-40 young activists close to them at UCT and 10-15 at the UNIVERSITY OF WESTERN CAPE (UWC). Many of them are not really interested but they go for the "joni" it provides them with. (TROTSKYITES all over the world are famous for their promiscuity and SA TROTSKYISTS are no exception - e.g. Jonathan GROSSMAN apparently "gay"/homosexual). He's very close to another UCT lecturer in Sociology, Ginny VOLBRECHT (W/V)(X16) a committed MARXIST and strong MARXIST feminist.

3.3.1.4 WILSA has also made some moves into the CONGRESS OF SA TRADE UNIONS (COSATU)(X17) affiliations such as the FOOD AND ALLIED WORKERS UNION (FAWU)(X18). One member/organiser Miles HARTFORD (W/M)(X19) is leader of FAWU's campaign for Democracy after he was expelled unconstitutionally by ANC-officials in 1990. HARTFORD is a strong TROTSKYITE like his brothers Gavin HARTFORD (W/M)(X20) (White male) a top organiser for the NATIONAL UNION OF METALWORKERS IN SA (NUMSA)(X21) in PORT ELIZABETH and Dirk HARTFORD (W/M)(X22), ex-editor of COSATU news, now overseas.

All these brothers are to the left of COSATU (TROTSKYITES) and very capable organisers. Miles HARTFORD in CAPE TOWN is fully supported by both Joe FOSTER (W/M)(X23), ex secretary of FEDERATION OF SA TRADE UNIONS (FOSATU)(X24) and Jan THERON (W/M)(X25) (top leader of FAWU in the CAPE). Gavin HARTFORD is a top man in NUMSA and also a TROTSKYITE with very good contacts in all townships in the area.

3.3.2 In DURBAN WILSA has a capable leader in a certain Oupa (surname unknown) who is a good organiser and studies for a masters degree in Industrial Relations at the UNIVERSITY OF NATAL, DURBAN (UND). He is a very good learner of all MARXIST works and a top student. He has good contacts within COSATU unions, especially NUMSA and the CHEMICAL WOMENS INDUSTRIAL UNION (CWIU)(X26) due to his involvement in the SOUTH AFRICAN COMMITTEE FOR HIGHER EDUCATION (SACHED)(X27). SACHED is an ANC branch now and the relations have been finished.

3.3.3 WILSA further has good relations with people with TROTSKYITE/UNITY MOVEMENT background, such as THERON and FOSTER who have wide support from the workers due to their powerful and long involvement with worker's struggles. These people (FOSTER and THERON) are in close contact with Baruck HINSON (W/M)(X28) in the UNITED KINGDOM (UK). They have high respect for him as a revolutionary and listen to him. HINSON has tried for years now to unite the dispersed TROTSKYITES into one solid unit (with possibly a federal structure) which can intervene in workers struggles in a big way, like say general strikes, stay-aways, etc.

These groups can not do much on their own but if they unite they will certainly have a good reservoir of leadership (very well-educated activists in orientation and with a lot of potential for mobilisation tactics).

4. The WORKERS' REVOLUTIONARY PARTY (WRP)(X20) (with which Baruck has cordial relations) pushes for such a move. The WRP does not really have a powerful financial muscle, but due to the high exchange rate (pound/rand) they can help the new SA SOCIALIST FORUM in the UK financially. They already give money for the publication of Baruck's searchlight, a revolutionary journal freely available in SA. In this journal Baruck has exposed the ANC atrocities in QUATRO and ANGOLA/MOZAMBIQUE, accuses the SA COMMUNIST PARTY (SACP)(X30) of reformism and STALINISM, attacks Winnie MANDELA (S/V)(X31), ETC. He also attacks whoever is not TROTSKYIST, including the Unity Movement.

5 COMMENTS BY SOURCE :

- 5.1 The proposed Socialist Forum might come to the fore at the September Conference at UWC, where all these groups will come and deliver papers. The WRP (UK) seems very concerned about unity as does the other big TROTSKYIST movement in the UNITED STATES OF AMERICA (USA) called the SOCIALIST WORKERS PARTY (SWP)(X32) under secretary Michael BANDA (?/M)(X33).
- 5.2 These groups are, however, very sectarian in nature and only a real revolutionary leader of good potential can unite them.

- 5.3 HINSON is very respected, but he's considered too old (he's over 80) to lead such a group. The moves, however, are there for efforts at least.
- 5.4 Close to these moves are also the people in the M&T of the ANC with buses full of support in JOHANNESBURG, CAPE TOWN and NATAL (PMB and DURBAN).
- 5.4 The key people here are :
- 5.4.1 In CAPE TOWN : Two White academics (Dr Jack LEWIS (W/M)(X34) and Dr Andrew NASH (7/M)(X35) both at UWC. Another top man in the CAPE is Dr Fred HENDRICKS (K/M)(X36) also of UWC. They also have pockets of activist support in Black and Coloured areas although not much.
- 5.4.2 In JOHANNESBURG the main people are Wiseman HAMILTON (7/M)(X39) and Dr David HEMSON (W/M)(X38) also expelled from the ANC in 1985.
- 5.4.3 In NATAL they have a few supporters in PIETERMARITZBURG, especially IMBALI, young activists and one or two trade unionists especially in NUMSA. It is not a large support, but very committed revolutionaries. (I would say they are more serious than the others except perhaps WOSA.

There is also another TROTSKYITE group in DURBAN under Bongani KHUMALO (S/M)(X39) who used to be a NUMSA/MAW/ shopsteward. There are not many members because after he has lost his job he became an alcoholic.

5.5 TO SUMMARISE : There is a definite move initiated by
B HINSTON from LONDEN, to unite the forces of TROTSKYISM in the
RSA. These people inside the country are basically sectarian and
do not want to unite. If money is available, however, then there
is a fair chance of them uniting. It is inevitable, however, that

1.1 Mr Kumaran NAIDOO (I/M)(X3), approximately 26 years old, ex UNIVERSITY OF DURBAN-WESTVILLE (UDW) STUDENT REPRESENTATIVE COUNCIL (SRC) - PRESIDENT OF MK, cadres (comrade of Mr Lenny NAIDOO who was killed three years ago in an ambush) was appointed as Director of SA COMMITTEE FOR HIGHER EDUCATION (SACHED)(X4).

(ELUCIDATION : HEMSON is back in the RSA while he spend a couple of months in prison in ZIMBABWE for organising workers in Unions.

He (HEMSON) is a brilliant academic and educator but he's a TROTSKYITE with the MWT, while NAIDOO is a mediocre ANC-cadre with limited capabilities and a thorough opportunist whose claim to fame is his friendship with the late Mr Lenny NAIDOO.

1. Bron berig soos volg insake die bedrywighede van die DURBAN MEDIA TRAINERS GROUP (DMTG) (X1) :

1.1 David HEMSON (W/M) (X2) het nie weer aansoek gedoen vir die pos as koördineerder van die DMTG nie en GOVENDER (onbekend) is deur die bestuur verkies as die man vir die pos.

(Opmerking deur bron : Gesien in die lig van die AFRICAN NATIONAL CONGRESS (ANC) (X3) se besware teen die moontlike aanstelling van HEMSON as die nuwe koördineerder, het die DMTG-bestuur hom aangeraai om sekere ANC-figure te besoek en as't ware by hulle te pleit om sy vroeëre skorsing uit die ANC oor te sien en hom toe te laat om vir die pos aansoek te doen. Dit blyk egter dat HEMSON nie bereid was om dit te doen nie.)

1.2 GOVENDER het egter laat weet dat hy nie beskikbaar sal wees vir die pos nie, aangesien hy reeds te veel ander verpligtinge het.

1.3 Merle FAVIS (W/V) (X4), Waarnemende Koördineerder, was egter nie daarvan bewus dat HEMSON nie meer belangstel in die pos nie en het intussen besluit om daarvoor aansoek te doen. 2. KOMMENTAAR DEUR VERSLAGDOENER :
- 2.1 HEMSON se huidige doen en late is tans onbekend en hy het intussen van die toneel verdwyn. Hy het die geleentheid om 'versoening' met die ANC te maak, geweier en dit is dus voor die hand liggend dat die skeiding tussen hom en die ANC, nou selfs wyer is.
- 2.2 Bron berig dat FAVIS se hande some baie bewe. Hy kon egter nie 'n drankreuk bespeur nie en vermoed gevolglik dat sy dalk dwelms gebruik. Sy het skynbaar onlangs 'n liefdesteleurstelling gehad en dit is dalk die rede waarom sy haar ogies vir REDDY fladder.  - 1.2 'n Bedrag van 14 000 Duitse Mark (Plus minus R25 000,00) is gedurende Februarie vanjaar van EVANGELISCHE MISSIONSWERKE, DUITSLAND, ontvang.

(Opmerking : Die wyse van betaling en die doel daarvan, is onbekend).
 - 1.3 Tydens die laaste vergadering van die DMTG op 12 Februarie 1991, is daar besluit dat die DMTG-bestuurslede voortaan slegs een maal per maand sal vergader. Die volgende vergadering sal op 14 Maart 1991 plaasvind.
2. KOMMENTAAR DEUR VERSLAGDOENER :
 - 2.1 Brondekking sal aan die volgende Bestuursvergadering van die DMTG verleen word en enige informasie wat daaruit voortvloei, sal bevorder word.

2.2 Sover vasgestel kon word, het die DMTG tot op hede nog geen fondse van die AFRICAN NATIONAL CONGRESS (ANC) (X4) ontvang nie. Daar is trouens geen sprake daarvan dat die ANC in die toekoms beoog om die DMTG van fondse te voorsien nie - heelwaarskynlik weens die feit dat hulle self finansiële tekorte het. Dit dien ook hier vermeld te word dat daar geen verbintenis tussen die ANC INTERIM MEDIA COMMITTEE (AIM) in Durban en die DMTG is nie. (Die AIM het intussen van naam verander en staan nou bekend as die plaaslike tak van die ANC se DEPARTMENT OF INFORMATION AND PUBLICITY (DIP)).

DURBAN MEDIA TRAINERS GROUP (DMTG) :
BEHERENDE ROL VAN S A KOMMUNISTIESE PARTY (SAKP)

1. Bron berig sons volg insake die aanstelling van 'n nuwe koördineerder vir die DURBAN MEDIA TRAINERS GROUP (DMTG) (X1) :
 - 1.1 Die DMTG het op 22-29 Januarie 1991 met sy kliente vergader om te bepaal of hulle daarteen gekant sou wees as David HEMSON (W/11) (X2) die pos sou kry.
 - 1.2 Beide die AFRICAN NATIONAL CONGRESS(ANC) (X3) en die CONGRESS OF S A TRADE UNIONS (COSATU) (X4) het beswaar aangeteken teen die moontlike aanstelling van HEMSON vanweë vroeëre botsings met hom.
 - 1.3 Op 'n vraag aan Clive EMDON (W/M) (X5), Bestuurslid van die DMTG, na afloop van die vergadering, het dit aan die liggekom dat HEMSON vroeër 'n lid van die ANC was, maar dat hy uitgeskop is vanweë 'n sogenaamde "geheime agenda" wat hy sou hê.

(Opmerking : Die omstandighede rondom HEMSON se skorsing uit die ANC, is aan hierdie kantoor onbekend. Wat wel bekend is, is dat HEMSON 'n Marxist en lid van die MARXIST WORKERS TENDENCY (MIT) (X6) is. Bron sê voorts dat HEMSON aan hom laat blyk het dat hy tans werkloos is en baie graag in die pos aangestel wou word.)

- 1.4 S'bu NDEBELE (S/M) (X7), ANC verteenwoordiger op die verblide vergaderings, het gesê dat die ANC slegs HEMSON se aanstelling as Koördineerder van die DMTG sou aanvaar, as hy (HEMSON) die ANC amptelik om verskoning sou vra. Die COSATU-verteenwoordiger het hom hierin ondersteun.
- 1.5 Daar is toe besluit dat die DMTG weer vir die pos sal adverteer.
- 1.6 Na afloop van die vergadering het EMDON vertroulik aan bron gesê dat hulle (die DMTG) baie versigtig moet wees met die aanstelling van 'n nuwe Koördineerder, aangesien hulle nie 'n ongewenste persoon in die pos wil hê nie. Daarom sal die DMTG maar weer die pos adverteer ter wille van die ANC en COSATU, maar dit is te betwyfel of hulle wel iemand anders as HEMSON sal aanstel.
2. KOMMENTAAR DEUR VERSLAGDOENER :
- 2.1 EMDON se behepthed met die aanstelling van HEMSON, moet gelees word teen die agtergrond van sy betrokkenheid by die S A KOMMUNISTIESE PARTY (SAKP) (X8). Die idee word al hoe meer verkry dat die DMTG deur die SAKP beskou word as 'n belangrike organisasie vir die bereiking van SAKP-doelwitte. Dit is egter nie bekend of HEMSON ook 'n SAKP-lid is nie.
- 2.2 Dit is opvallend dat die DMTG ewe eerbaar die ANC nader om hul opinie oor die moontlike aanstelling van HEMSON, maar agteraf hul voet neersit en besluit dat HEMSON in elk geval die pos sal kry.

2.3 Die SAKP se doel met die DMTG is nog nie heeltemal duidelik aan hierdie kantoor nie. Dit is wel bekend dat die DMTG opleiding aan

ANC-lede verskaf (rekenaaropleiding en opleiding in mediaverwante aangeleenthede). EMDON het ook tevore laat blyk dat die DMTG ANC-woordvoerders tegnies moet oplei om byvoorbeeld voor TV-kameras op te tree. Daar is egter geen tekens dat die SAKP enige houvas op die plaaslike ANC-takke het nie. Dit het trouens nog nie onder hierdie kantoor se aandag gekom dat die ANC op enige manier ooit na die DMTG verwys nie - hetsy in briewe, memorandumms of persoonlike gesprekke. Indien Navorsing oor enige informasie insake die SAKP se doel met die DMTG beskik, sal hierdie kantoor graag daarvan verhoor ten einde sy insameling oor die DMTG nader aan die kol te kan rig.

DURBAN MEDIA TRAINERS GROUP (DMTG) :
MOONTLIKE AANWYSING VAN MARXIS AS NUWE KOÖRDINEERDER

1. Bron oorhandig 'n afskrif van 'n skrywe van Anne MCKAY (W/V) (X1), uittredende Koördineerder van die DURBAN MEDIA TRAINERS GROUP (DMTG) (X2), gerig aan die Streekbestuur van die AFRICAN NATIONAL CONGRESS (ANC) (X3) se Suid Natal-tak en ongedateer -
Aanhangsel A.
- 1.1 Die DMTG het David HEMSON (W/M) (X4) uitgesonder as die beste kandidaat om MCKAY se pos as Koördineerder oor te neem. HEMSON, wat voorheen 'n lid van die ANC was en later geskors is, is 'n lid van die MARXIST WORKERS TENDENCY (MWT) (X5).
- 1.2 Die doel van die skrywe is om met kliënte van die DMTG te skakel ivm die aanstelling al dan nie, van HEMSON, ten einde te voorkom dat sy aanstelling as nuwe Koördineerder van die DMTG, bots met die wense van die DMTG-kliënte. Dieselfde skrywe is ook gerig aan inter alia, die volgende organisasies :
 - ANC YOUTH LEAGUE (ANCYL) (X6);
 - CONGRESS OF S A TRADE UNIONS (COSATU) (X7);
 - ANC DURBAN Sentraal-tak.
- 1.2.1 Bovermelde organisasies word in die skrywe versoek om elk twee verteenwoordigers af te vaardig om 'n bespreking oor die wenslikheid van die aanstelling van HEMSON op 22 Januarie 1991 by te woon en hul siening daaroor te lug.
