The Batlhabine Tribal Authority.

Magistrate Naphuno
Lenyenyé Bantoe Dorp

Re Nomination of the following names

Mna Rakgoale is elected to be the Tribal representative. The Ba Rakgoales are the people we Bakgomaanas are really close with them therefore we find it right to nominate one of their family in our Tribal Authority our fore fathers could not do anything without first consulting them. From there we found them being of the same origin. Chief Malesele married his three wives from them.

1. Mmakoma the mother of James Ledikwa.
2. Mapula mother of Belabela.
3. Mmamokhotla mother of Marutla.

We bakgomaana found it our right to have one of this commoners to be in our Tribal Authority without hesitation.

Mna Phalane is also included in our list he is a Mokgomaana Chief Mogoboya's cousin in full Matsape was his sister.

Mna Alex Mogale is the right hand of Headman Mogale Tabane. Mna Machete is the right hand headman Machitela. From long we found our perants working with ba ga Machete together with this headman Hlola Machitela.

So we the Bakgomaana found it our duty to follow traditionally how our perants were working cooperately with the above Commoners therefore we are without doubt recommending these members to continue ~~xxx~~ working with us as it was long done by the Bakgomaana ba ga Mogoboya. It is not to say that we are against the Departmental constitution. We trust that our brief explanation will serve a good help to our honourable Magistrate.

Thank you sir.
