The Native Commissioner,  
Tzaneen.

Sir,

re: Succession in Muguboya's Location.

With reference to the above matter, I beg to advise you that I have been acting for William Mutatu Muguboya for the last six years and am well acquainted with the history of the tribe during that period.

I have now been asked by William Mutatu, to lay his case before you. I shall be pleased to have this opportunity before the matter is finally decided by your Department.

An early reply will be appreciated.

Yours faithfully,

(sgd) G.J. Maritz.
