Good morning

I am responding to further indicate the following matters:

- (i) The document in our office does not have page 17 of the 58 page.
- (ii) The correspondences which we provided to you are those which are at our disposal at the moment.
- (iii). The Commission uses the Traditional Leadership and Governance Framework Act as government policy that list all requirements to support the kingship claim and also relevant sections of the Commissions Act, 1947, (Act No. 8 of 1947).

Hoping that the above answers all your queries

Dear Charlotte More

I refer to our emails (below) regarding the records your Department has provided relating to SAHA's PAIA Request regarding the kingship claim of **Bafokeng Ba-Mutla-o-Joea-Tala**. (Our reference: SAH-2013-DTA-0004 /Your reference: PAIA-DAT 02/2013 (shared reference number)).

I just wanted to follow up on whether you are able to provide:

- (i) **page 17** of the 58 page document entitled "A Genealogical glance at the origin of the Bafokeng Ba-Mutla-o-Joea-Tala Nation" attached to the "Claim by the Bafokeng Ba-Mutla-o-Joea-Tala Nation to the Commission on Traditional Leadership Disputes and Claims (CTLDC)" dated 7 August 2009
- (ii) any correspondence regarding the kingship claim of Bafokeng Ba-Mutla-o-Joea-Tala
- (iii) all of the Department's policy and procedural documents that list all requirements to support a kingship claim.

We are very pleased to have the most recent documents, and thank you for your ongoing assistance.

Regards

Senkhu

Dear Mr Gezani Mazibuko

Our earlier conversation refers. Subsequent to our conversation I confirm the following:

You called seeking clarity on PAIA requests :

Our reference: SAH-2013-DTA-0003/Your reference: PAIA-DAT 02/2013

Our reference: SAH-2013-DTA-0004/Your reference: PAIA-DAT 02/2013

You were content with the clarity given for request: Our reference: SAH-2013-DTA-0003/Your reference: PAIA-DAT 02/2013.

You sought clarity on what was meant by 'interim report' and indicated that the Commission did not produce those but did produce quarterly reports, and that you would send those reports instead.

You also sought clarity PAIA request: Our reference: SAH-2013-DTA-0004/Your reference: PAIA-DAT 02/2013.

You confirmed that you would look for the missing page and should you find it you will send it through email to SAHA.

Further to our conversation you indicated that not all records related to the kingship claim of **Bafokeng Ba-Mutla-o-Jeoa-Tala** were released, as they needed to first be approved by the Presidency. You indicated that these records are now available and will be provided to SAHA.

I trust this email correctly captures contents of our conversation. I also take this opportunity to thank you for ringing SAHA and seeking further clarity.
