KAREE AMCU MEETING

- 05:30: The meeting started at the ground
- One unknown person opened the meeting with a prayer
- Steve addressed the employees; he informed them that region won't be available for the meeting. They have sent him to come and address the employees. He encourages the members who are appointed as steward to do the respected job properly and help the employees when they need help. He also mentions that the matter of increase will be addressed at the coming meeting with region. He told them that whenever they have a problem they must first go to AMCU offices before the can go to HR.
- At about 16:20 the meeting closed with a prayer.
