Dear Mr. Dumisa Ntsebeza

RE: THE DEATH OF ANTON LUBOWSKI

1. I refer to your letter of 13th November 1996 and I have pleasure to inform you that the Attorney General and the Prosecutor-General have made available documentation and correspondence relating to the criminal proceedings in the matter of the State vs Donald Acheson (ec 41/90) to me for onward transmission to your commission.
2. In accordance with your request, I hereby confirm that the documentation includes the charge sheets, court proceedings and particularly, affidavits from potential witnesses, which could be deemed to have contributed to the frustration of the prosecution's case.
3. I hereby forward the same to your esteemed commission and I am confident that the information will be invaluable for your quest to disentangle this debacle.
