[Handwritten signature]

whole region/territory according to the attached examples is urgently needed before the 25th of March 1994. (Annexure B).

3. Use the heading of annexure A and assure that the focus areas according to the National policy, is dealt with. Your plans must elaborate according to the circumstances in your region.
4. Your urgent attention will be appreciated. Your plans will be made available to the IEC for their information.
5. Although the examples are in Afrikaans, your delegates indicated that it would not create a problem.
6. You must also compile contingency plans for bomb-attacks, disruption of polling stations and counting offices, mass action, occupying of state offices, spreading of violence in residential areas, attacks on national keypoints, hostage situations, attacks on service members, attacks on public transport, acts of sabotage and the blocking of traffic to disrupt flow of voters. Each region must inform this office that such contingency plans are in place.
7. Attached (Annexure C) is a structure for security management system and the Joint Operational Centre for your necessary action.
