EXTRADITION: R.O HILL

Your 9/11/3 Hill R.O (R/L) dated 16/11/92 (Mrs J Prineloo)

I am unaware of the applications and counter-applications referred to in the letter of the legal representative of R O Hill dated 22 October 1992. I refute any statement that I have been given the opportunity to respond to the said applications.

In order that I may embark on a thorough investigation of this state of affairs, kindly enquire in your own office and the Head Office of the Department of Foreign Affairs whether any legal process in the aforementioned regard was served, and which should have been forwarded to this office for our attention. Furthermore, it is deemed expedient that your office approach the Department of Foreign Affairs to enquire whether any legal process was served on their Washington offices, which should have been forwarded to yourselves for onward transmission to this office. As soon as any legal documentation with regard to these applications is to hand, a full exposition will be directed to your office.

May this matter be regarded with a sense of extreme urgency.

Yours faithfully
