CONFIRMATION OF ATTENDANCE TO A COMPLAINT

1. Mr. Jamaloodien Parker (full names and surname), ID number 4403315124083, residing at Corner of Minor and Main Streets Hermon, telephone number (home) (022) 44 81801 (work)....., cell number 0766193362, hereby confirm that the complaint I have lodged with the South African Police Service has been resolved to my satisfaction* / dissatisfaction*.

In case of dissatisfaction, the following constitute the basis of my dissatisfaction:

Was sergeant Cloete serious about handling my case of arson at my shop? Why did sergeant Cloete go and seek advice/assistance from the district prosecutor without apprehending the suspects involved in this arson attack? In the nature of what has transpired, I as a loyal South African citizen feel that all the relevant suspects involved in this case of arson against me should have been apprehended and sent to court to appear for their violent behaviour against me and my family.
