

Mrs T. Pillay and Family,  
PRETORIA.

We have realised that today August the 1st it is a whole year since you first started to bring us coffee in the mornings - a whole year since you first decided to do this, on your own, and a whole year that you have continued doing without missing even one day! Even during these difficult months of detention when we are no longer able to see you, you have still maintained this thoughtful service to us, and indeed increased it by sending us extra food to replace the lunches.

We only wish that today we could arrange a special party so that you could be our honoured guest, and then we could really express ourselves properly and show you how very much we value your wonderful kindness to us during the past twelve months. We can't have that party now but we are looking forward to having it as soon as we are free.

All we can do now is to say "thank you" and assure you that you hold a special place in our thoughts and in our hearts.

Yours in the struggle for Freedom,
