

➤ Why I chose the interviewees

I chose the interviewees on a criteria mainly based on community involvement and involvement on the land claims.

The interviewees are very informative and always supply accurate information.

I know that I can always rely on their words and I can gladly publish their information.

They have all been involved in the Richtersveld for a long time especially Mrs. Fredericks who has been living in the area since 1950.

Criteria for the choosing of candidates

CRITERION	YES	NO
1. The interviewee has been physically involved in the community especially the land claims case?	X	
2. The interviewee has age old knowledge about the case?	X	
3. The interviewee is committed to the development of the community?	X	

Mrs Fredericks (Auntie Mietjie)
